

## The L.I.M.C. /NAMA. NEW MEMBER FORM

The Long Island Mycological Club (L.I.M.C.) was formed in 1973 "To improve the members knowledge of mushrooms on Long Island". Each year from April to December, the L.I.M.C. offers its members many close-to-home mushroom forays. Forays take place on Saturday mornings starting from 9:30 A.M.to 10A.M. in parks and forests on Long Island, from Queens to Wading River (there may be entrance fees at some of the parks). Members provide for their own transportation and bring lunch if they wish to participate in the review of the morning's findings. *A foray schedule will be sent to paid-up members. Forays are free to LIMC members; non-members may attend one foray for a fee of \$5- which is applicable towards membership. Members are permitted two free guest visits per season.* Please note: **EACH FORAY PARTICIPANT IS RESPONSIBLE FOR HIS OR HER OWN ACTIONS. NEITHER THE L.I.M.C.
